

## USAGE INFORMATION

- Sturdy and strong
- Refrigerator safe
- Freezer safe
- Microwave safe
- Oven safe up to 400°F for 30 min
- Handles hot liquids up to 284°F
- EATware is currently the only 100% compostable oven-safe container. Specifications regarding heat tolerance have been provided by EATware. We recommend, however, that you conduct tests for your particular usage, as variables such as type of oven, food ingredients and level of moisture/fat content may affect

## GREEN FEATURES

- Biodegradable and compostable
- Made from bamboo and other all-natural fibers
- No plastic or wax linings
- Composts in 1-4 months depending on conditions

The technology used in EATware's manufacturing process minimizes energy consumption and environmental pollution.
